Computer Questions

What are the minimum system requirements for ANGEL?

For a PC:
- Microsoft Windows XP, Microsoft Windows Vista or Windows 7 operating systems
- Microsoft Internet Explorer (Version 7 or higher) or Mozilla Firefox (Version 7 or higher)
- Java Runtime Environment 1.4 or higher
- JavaScript and AJAX enabled
- Pop-Up blocking disabled

For a Mac/OS X:
- Microsoft Internet Explorer (version 7 or higher) or Mozilla Firefox (Version 7 or higher)
- At this time Safari or Chrome is not compatible with Angel LMS.
- Java Runtime Environment 1.4 or higher
- JavaScript and AJAX enabled (located in your browser)
- Pop-Up blocking disabled (located in your browser)

An Internet Service Provider - e.g. MSN, AT&T, PacBell, Comcast, etc.

My browser will not display the necessary pop-up windows even after I have disabled the pop-up blocker.
